Stubborn Jurors Lectured in the Superior Court

THEY COULD NOT AGREE

It Was the Old Story of Detective Against Accused—Couldn't Determine Who Did the Lying.

In the case against Frank S. Damskey for keeping his saloon open Sunday, in the superior court yesterday, Officer McConnell, a new policeman, swore that he went into the Webster hotel, Mr. Damskey's place, and that Mr. Damskey sold him a drink of beer. Mr. Damskey swore that Mr. McConnell came into the hotel and asked for a drink and he refused to give it to him. McConnell repeated the request several times and appeared to be drunk. Mr. Damskey said he ordered McConnell out of the house and he left. Three hours later in the hotel corroborated the testimony of Mr. Damskey. The jury retired at 4:15 and at 8:30 were called in and discharged. Judge Burlingame said in discharging the jury that with the small amount of evidence in the case if they could not reach an agreement in four hours they ought never to agree.

Court Notes.

James F. Lamoreaux, administrator of the estate of Fred A. Lamoreaux, petitioned the probate court yesterday for authority to pay over the money held by deceased as treasurer of Walker township to the present treasurer, Fred Lamoreaux was treasurer of the township when he died, and held \$1,025.83 of township funds in his possession. The petition was granted.

N. L. Avery and A. D. Rathbone, executors of the estate of Amos Rathbone, deceased, filed their annual statement in probate court yesterday. The amount of cash on hand last year was \$106. The receipts for rent during the year was \$9,973.25, and the disbursements were \$9,973.25. This leaves a cash balance of \$1,025.83 from last year's management of the estate.

William Robinson, a none too bright appearing man of 44 years, was in police court yesterday charged by his wife with failure to support her. It was a hard "nut to crack" for Judge Haggerty, for both man and wife are subjects to fits. After an hour's conference both went home with the intention of commencing life over. The case was dismissed.

County Agent Hathaway suspended sentence on three of his class yesterday in police court. Willie Wardell, George Murphy, charged with truancy, and William Broxmam, larceny less than \$25, have proved themselves obedient and school-going boys, and were released.

Alexander Douglas was convicted yesterday in the superior court of keeping his saloon open on Sunday. He will be sentenced Monday.

David H. Noel will have a trial in police court tomorrow morning on a charge of the larceny of \$1.50 from A. Weeks on November 8 last.

William Burgett petitioned the probate court for allowance of expenses yesterday as executor of the Frey estate.

Why Women Are Not Bald.

Natural Selection Protects Them from the Fraying Tendency.

If the unsatisfactory statistics that I have been able to collect can be relied on, the proportion of baldness in boys and girls under twenty is about eighty to seven, says Miss E. F. Andrews in the Popular Science Monthly. As the majority of girls at the age under consideration wear their hair loose, or in sim-

ple "Marguerite" braids, so that there is little likelihood of deception, while unwholesome headgear or other individual practices can hardly, as yet, have had time to produce any material effect upon either sex, we may regard the difference indicated by the figures as practically due to the working of heredity alone.

Now, there is no apparent reason why girls should not inherit a tendency to baldness as well as boys, unless that tendency is checked by some other factor. Such a factor is sexual selection; for I presume it is hardly necessary to argue here that a bald-headed woman would not stand much chance of "survival" in the struggle for matrimonial honors. As men have always practically done the "selecting," and will probably continue to do so more and more as the conditions of modern life render the competition for husbands more severe, the woman's voice in the matter, when she has any, being limited to a simple negative, it is not likely that the state of baldness to which the human race is said to be tending will ever affect the feminine half of it.

DISEASES CURED.

EYE AND EAR DISEASES CURED.

THE ONLY ONE WHO CURES DEAFNESS

Catarh, deafness, rheumatism, nervo-
us debility, impotence and all diseases
resulting from early indiscretions and
excesses of manhood, all diseases of
the urinary organs, partial paralysis,
varicose veins, tumors, scrofula,
old sores, dropsy, skin diseases, liver
and kidney complaints, heart disease,
shortness of breath, back of head,
small of back, etc., including all
female complaints and chronic diseases
cured quickly and permanently.

That cough, slight fever and weak-
ness, shortness of breath, palpitation
of heart, my means sure and quick
consumption.

If you are nervous, restless, irri-
table, sleepless mornings, with a dull
headache, bad taste in the mouth,
sometimes discharge, and constant
your employment without any energy
or ambition, desire to be alone,
gloomy forebodings, a disposition to
work and fret about trouble ahead
that never comes, spells of feeling
afraid or uncertain, sometimes low
spirits, you are suffering from nervous
debility and exhaustion of nerve power,
which may end in utter prostration,
impotence and death.

If you have a great sense of weakness
and weariness, with tired limbs, numb-
ness, trembling, prickly sensations,
cold feet and legs, you are advancing
to that most serious disease—Paralysis.

If your head aches, feel numb and
tired, with strange sensations, loss of
memory, and you think with difficulty
or you are sleepless at night, with
drowsiness and dullness during the
day, the nerve and brain fatigue may
soon run into insanity or death.

If you have any of these feelings do
not neglect them, or they will end in
paralysis, insanity, prostration or
death.

As you value your life do not ne-
lect these warnings. Time and expe-
rience have shown that hundreds of
starting and marvelous cures have
proved that these diseases are per-
fectly and completely cured by DR.
S. CLAY TODD, 1211 Division street,
rooms 1, 2 and 3, Grand Rapids, Mich.

Under the use of DR. S. CLAY
TODD'S remarkable remedies all
those symptoms yield as if by magic,
and strength of nerve, vigor of brain,
vitality of blood and health of body
are soon restored.

His remedies are purely vegetable
and harmless, and can only be ob-
tained at his office.

Dr. TODD compounds his prescrip-
tions before each patient in his office.
